Epstein, P.J.:

Before we begin, I want to just make a brief statement which I would like to be spread on the minutes for today's calendar. I learned just a short time ago that Judge Florence Cooper passed away. She was a member of the United States District Court panel for the Central District of California and before that, she was a judge of the Superior Court in Los Angeles and before that, a Commissioner. We had the pleasure of working with Judge Cooper for a number of months when she served as a pro tem justice on this court. She did a splendid job during the several tours of duty that she had here. It was a pleasure to work with her and she will be very much missed. So I would like to say that when we recess at the end of the calendar this morning, we do so in memory of Judge Cooper.
